

# Disclaimer of liability

Please note that this data service is not intended to be used as a backup solution. Its main purpose is to temporally share files between two or more users. We don't take any responsibility for data loss; the user is the responsible of keeping backups from her/his own files.

The application must only be used for the exchange of legal content. The user is fully responsible in case of any violation of legal restrictions.

By clicking the "Agree" button, I acknowledge that I have read, fully understood these conditions, and accept them completely.
